

# Landscape Scavenger Hunt

“Study nature. Love nature. Stay close to nature. It will never fail you.” - *Frank Lloyd Wright*

## INSTRUCTIONS:

Explore our beautiful landscape through a scavenger hunt.

Discover trees, shrubs, plants and vines by reading our descriptions and Haikus. Check off each plant you find!

### HYDRANGEAS

*Limelight Hydrangeas*

They bloom everywhere

But at the Gardener's Cottage

You'll find most of them there

### RUGOSA ROSES

In this pretty flower

You will see the bees roam

The *Rugosa Roses*

Are their favorite nectar home

### DELPHINIUM

Blue and dark purple

The *Delphinium* grow

Vibrant and tall

We think they're best in show

### DUTCHMAN'S PIPE

The vine that grows here

Is our oldest on tour

Peek behind the fountain

You'll see *Dutchman's Pipe* for sure

“You see, the loveliest thing my father did for my mother was to give her that greenhouse...so my mother had flowers all the time, every flower you could think of.” - *Dorothy Martin Foster*

## DID YOU KNOW?

The Martin family had a house designed by Wright built for their gardener. The Martins also added a 3-bay greenhouse to grow cutting flowers.

### PEONIES

In the Courtyard Garden

Flowers pink, leaves green

Spring is when they bloom

We call them *Peonies*

### CLOTHES POLES

When you find them

They'll be in a row

They're tall, brown and towering

They are the *clothes poles*

### FALSE INDIGO

In many places

This flower abounds

Both side of the pergola

*False indigo* will be found

### HOLLYHOCK

In the floricycle

Hidden among the rest

Colorful *Hollyhocks*

Are some of the best

### ELM TREE

Once known to line

Almost every Buffalo street

The magnificent *Elm Tree* returning to us

Is such a beautiful treat

## WHAT IS A HAIKU?

It is a Japanese poem of seventeen syllables, in three lines of five, seven, and five, traditionally evoking images of the natural world.

### GINGKO

Leaves like fluttering fans  
I grow up each year  
Waving out the front windows

### BIRDHOUSES

Limestone *birdhouses* calling  
Inspired by Japan  
Too hot to build a nest here

### SMOOTH SUMAC

Beautiful species  
Ordinary natural plant  
*Smooth sumac* grows wild

### BOCK SCULPTURE

Cherub faces peeking through  
Awaiting springtime  
Soon they will feel the sunshine

### WISTERIA

The vine wraps around the fence  
Original plant  
White blooms and it smells divine

## DID YOU KNOW?

Frank Lloyd Wright went to Japan during the time he was designing the Martin House. He was very influenced by Japanese design, and incorporated it into the architecture of the house.
